

PRICE GUIDE 2026

***Professional Machinery
& Equipment for the
Grounds Maintenance
and Landscape Industry***

Who we are...

Groundserv is known throughout the industry as a friendly, motivated and professional business with excellent values.

We pride ourselves in being a professional, forward-thinking company, who remains courteous, friendly and appreciative when dealing with our clients.

With a wealth of experience in the Grounds maintenance supply industry, our staff will strive to respond to any enquiry efficiently and promptly.

Our values:

Understanding

To listen and to understand our customers in order we meet their exact requirements.

Supportive

To ensure our customers receive the service and backup support that exceeds all their expectations.

Excellence

To offer our customers the highest level of standard on all the products we sell and the services we provide.

Staff Development

To offer a high level of care, training and experience within an inspiring and enjoyable working environment.

What makes us stand out from the rest

We are a family business with over 40 years of experience in Garden and Grounds maintenance supplies. Our buying power and excellent knowledge of these products allows us to offer you very competitive deals. Our products are chosen for their quality, reliability and price. We are deeply committed to give you the best possible service at all times.

***Dedicated to serving the Contractor,
Groundsman and Local Authority***

MACHINERY SERVICING & REPAIRS

SERVICING

To keep your machinery and equipment in tip top condition, Groundserv have large workshops to easily cope with the demands of quick repairs or full services. Our staff in the servicing department have specialist knowledge in all the equipment we sell. This means we can turn around the repair with as little downtime and trouble as possible to you.

SPARE PARTS

We are able to supply many of the commonly requested parts from stock. Our parts stocking is extensive and we have direct access to manufacturers' stocks. Having an on-site parts department gives you full peace of mind and saves long wait times as you can usually pick up the parts easily within the store, or can be sent out by post.

Having a well stocked parts department is vital for our customers because it means we can help things run smoothly — even in the event of a breakdown. Just come to us and we will find the part you need so you can get your gardening equipment operating again as quickly as possible.

TESTIMONIALS

“

We have used Groundserv as a supplier for new machinery, spare parts and hire machinery for several years and always received a friendly and professional approach. They shine where others haven't in customer service, I would recommend them to others that are looking for a supplier with a competitive price and reliable service backup. Ross is extremely professional and helpful and his team are first class.

Large contractor

”

“

We have been loyal customers of Groundserv for many years, utilising their expertise for purchases, servicing, parts, and general advice. Throughout this time, the team has consistently demonstrated professionalism, responsiveness, and a competitive edge in their offerings.

Additionally, we have relied on their hire department on multiple occasions, including at short notice, and they have never failed to deliver exceptional service. Their reliability and commitment to excellence makes them a standout!

I would wholeheartedly recommend Groundserv to anyone in need of their services.

Large contractor

”

“

Working with Groundserv has enabled us to continue to provide our customers with the services they deserve!!

Housing group

“

Easy to do business with, helpful, reliable – great customer service.

Grass cutting company
